Luggage Freedom

Luggage delivery to/from London Airports

Heathrow
Making every journey better

YOUR LONDON AIRPORT
Gatwick

London City Airport 

What is AirPortr & Luggage Freedom?

- London's first same day / on-demand luggage delivery service operating between London Airports and London addresses.
- AirPortr removes the stress of travelling with your bags and delivers them to your preferred London location within hours.
- Your bags no longer dictate your itinerary – AirPortr gives you more time to focus on what you need to be doing.
- Operational at London Heathrow, Gatwick and City airports.

How does AirPortr work?

- Customers/groups pre-book the AirPortr service at portr.com, direct at the airport desk or via selected Sales Partners.
- On arrival to the airport, luggage is left at the concierge desk in the terminal and then delivered to your requested London address, at an agreed time later in the day.
- Book the return journey and we pick up your luggage from your hotel, office or home and deliver to the airport – ready for your collection prior to flight check-in.

Customer Benefits

- Head straight to your event, meeting or engagement while your luggage is delivered to where you need it to be.
- Make the most of your valuable time and/ or business trip - travel lighter, quicker and stress free.
- Great value and savings for groups/ multiple bag bookings (prices start from £15 for a single bag + £5 for each additional bag (any size or weight) – includes sports equipment.
- Peace of Mind - inclusive cover of up to £10,000 per booking, real time mobile tracking and live SMS/Email status updates.
