ICC AUDITORIUM AV PACKAGE

*Valid as at 1 May 2024 up to and until 31 December 2024

about us

“

As always your support and service levels during event planning and activation have been invaluable. Our senior team were moved to comment that the Eclipse team are always available but never intrusive, professional, flexible and extremely personable.

”

Coca-Cola Enterprises

Eclipse a leading creative technical production company, delivering award winning events globally for over 30 years.

We are delighted to be in-house preferred production partner and AV supplier to ExCeL London. Offering innovative and diverse experiences which will ensure your event is a resounding success. No project is too big or too small for Team Eclipse and

as a business, we pride ourselves on working together with our clients, rising to the challenge time and time again to produce exceptional events. We have experience producing all types of events, live, digital or a hybrid of the two.
