

# Studio ExCeL

# Space to film

With 100,000sqm of space to hire, ExCeL London is a great alternative to permanent studio environments. The main halls can be sub-divided to create bespoke modular spaces from 2,000sqm upwards, making this ideal for large scale productions.

Smaller rooms are available for more intimate settings, offices, green rooms and catering areas.

The spaces are supported by the vast infrastructure of ExCeL, including:

- Dedicated truck parking, with drive-in doorways, for direct access to halls
- High-speed resilient broadband, with fibre connectivity, for live streaming
- Space for OB trucks for satellite broadcast
- Unlimited mains power with backup generator
- Weight bearing ceiling of 40,000kg per 2,000sqm
- On-site caterer for crew catering, VIP, hospitality and retail
- On-site hotels and serviced apartments within walking distance
