

ExCeL London's Sustainability Policy –2018 - 2019

ExCeL London is one of the UK's leading international exhibition and convention centres and hosts events of all types with organisers and visitors from across the globe. We are committed to being thought leaders in our market and to provide world-class facilities and services that are in accordance with our own Health & Safety policies, this Sustainability policy and ExCeL London's mission statement and core values.

ExCeL London is committed to tackling the challenges of sustainable development and operating as a responsible corporate business. We will implement practices that promote economic security, social and environmental responsibility and will continuously seek to improve performance in these areas. We are committed to working with our suppliers and customers to improve sustainability performance throughout all of our activities and are committed to maintain and operate our sustainability management systems in compliance with both ISO20121 and ISO14001 requirements.

This policy is supported by our Executive Team and owners, ADNEC. Our Executive Team and senior managers are accountable for ensuring sustainability objectives are set, monitored and measured regularly against our maturity matrix to enable us to continue to improve against our set targets. They are also accountable for ensuring our sustainability audits are actioned and certification maintained.

All ExCeL London staff are responsible for implementing this policy to ensure that all requirements are being met and for the co-ordination and evaluation of ongoing performance against our sustainability principles, inclusivity, transparency, integrity and stewardship. To deliver this, ExCeL London aims to:

- Ensure the full implementation of this policy throughout all departments, business operations and services, and wherever possible throughout the supply chain.
- Ensure the policy and related sustainability issues are discussed with all employees and ensure all staff are aware of this policy and our 100% commitment to continue measuring and improving our performance.
- Be an industry leader in sustainable development in areas relevant to its business in the events industry; and where appropriate, exceed the basic legislation levels required.
- Work with its clients to pursue, promote and develop sustainable events throughout the entire lifecycle.
- Continue to limit the use of office consumables and waste whilst increasing recycling and the use of more sustainable materials wherever possible.
- Continue a proactive management approach towards the use of energy throughout our venue, management office and other business operations.

We translate our commitments in this policy into clear objectives and targets and we ensure that sufficient resources have been allocated to enable us achieve our commitments and continually improve our sustainability performance. Our performance will be continually measured against our principles of sustainable development by establishing key performance indicators, internal audits and management reviews. This policy will be made public via our website.

Date: 24 April 2018

Signed: Jeremy Rees, Acting CEO ExCeL London
