Technical details, floor plans and capacity charts
The technical stuff
Event Halls
Level 1

Key features
• 87,328m² column free space (divided into North & South event halls)
• Partitioned floor space with moveable walls
• 2,000m² hall modules - 86.4m length, 23.4m width
• Easy visitor access from 12,000m² (600m long) central boulevard
• 10m high ceilings
• 7.5m wide and 5m high drive-in doorways
• Event Hall floor weight loading = 18 kN/m²
• Marshalling area for 300 vehicles
• Permanent cabling – including IT, electric, water, waste (serviced by underfloor ducts)
• Configurable toilet blocks – ability to flex the male/female ratio
• Roof rigging plot available upon request
## Platinum Suite Levels 1, 2 & 3

About ADNEC Group

ADNEC Group is an international venue development and business management company. ADNEC Group’s portfolio currently includes the Abu Dhabi National Exhibition Centre, the Gulf’s largest exhibition centre; ExCeL London, the UK capital’s largest conference and exhibition centre; the Al Ain Convention Centre, a brand new development in the historic city of Al Ain, Capital Gate, the UAE capital’s iconic, gravity defying tower and a number of hotel projects. In addition ADNEC is master developer of the Capital Centre project, the world’s first fully interconnected exhibition lifestyle destination.

ADNEC Group is developing its network both through acquisition and construction. The company’s objective is to become the world’s leading venue provider to the international exhibitions, conferences and live events industries by providing consistently high standards of venue facilities, management and client relationships, whilst capitalising on the synergies which exist within a global venue network.

ADNEC Group’s Executive Office is located in Abu Dhabi, the capital city of the United Arab Emirates.
