Ways of getting to and from ExCeL during WTM London

DLR

A frequent 2-3 minute DLR service connects Canning Town to the three stations on the ExCeL campus: Royal Victoria, Custom House (for the west entrance) and Prince Regent (for the east entrance.) At peak times, this service will be extremely busy so you may want to consider one of the alternatives below.

Emirates Air Line cable car

The Emirates Airline cable car, which is a short five minute walk to/ from the west entrance, connects the ExCeL campus to North Greenwich for the Jubilee line. WTM London exhibitors and visitors can travel free on the cable car on production of their WTM London badge.

Walking

ExCeL is a signposted, short 15-20 minute walk from/to Canning Town.

TFL bus

From Canning Town, take buses 300 and 147 to Prince Regent or bus 241 and 147 to Custom House. WTM London also have shuttle buses which will run to Canning Town from the west entrance to ExCeL (next to the taxi rank).

Taxi

Taxi ranks are located at both the east and west end of the venue.
